EXPERIENCES

2019	freelancer

freelance, alexandria
Passionate and detail-oriented Front-End Web Developer with a strong background in designing and building responsive, user-friendly websites and web applications. Skilled in HTML, CSS, JavaScript, and modern frameworks like React.js and Tailwind CSS. I combine creativity with technical knowledge to deliver pixel-perfect designs and seamless user experiences. Proven ability to work independently or collaboratively on a wide range of web projects. Constantly learning and staying up-to-date with the latest web technologies and design trends.
